

Attention FDA

0515 '00 MAY -4 11:25

ne to my attention that the FDA is being asked to take away my right to sign a cal waiver before purchasing a hearing aid. Instead I would be forced to have dical exam or hearing test. Here's my views and/or experiences on several ad questions?

ould I be forced to have a medical exam and/or hearing test before purchasing aring aid? If so, should the FDA pay for the exam? IF FDA requires it /Should PA/ For IT. I don't need some one TO tell me I /a hearing Aid/ When I HAVE been using one For Past yrs.

ome people are physically unable to drive to a doctor or hearing specialist, or e had bad experiences they don't want to repeat. For instance ...

en I was a Hearing Aid Dealer who made house calls TO /ome bound/ customers AT NO COST. Most dealers today do the same T Audiologist DO NOT

Should the FDA take away my Constitutional Right, affirmed by the Supreme irt, to decide for myself my medical exams and treatment?

Please STAY OUT OF MY AFFAIRS

Should I be allowed to purchase hearing aids by mail as I choose?

Unquestionably YES. Fast Food Places E more dangerous to Peoples Health Than Making Aids
